## **Science Symposium:**

‘THE ARCTIC HUB - Importance of the High North for lower latitudes’

### **Format:**

- ASSW 2011 worked well
- 5 thematic sessions and 3 cross-cutting sessions.
- Greater focus on posters.
- ‘Frostbyte’ approach

### **Possible PAG/DBO/SOAR... session?**

‘Ecology of Advection and Arctic Amplification on the Pacific Arctic Highway: 5 unique ‘hotspots’ from the Northern Bering to the Chukchi Sea.’

...suggestions?...collaborations?...papers?...exchanges?
