Role Cards

Main Board

The Main Board features a central grid with three columns: Environment (環境), Culture (文化), and Economy (經濟). The grid has 10 rows, numbered 0 to 9. The 8th row is highlighted in grey. To the right of the grid is a map of the Arctic region with a cluster of blue ice tiles. The tiles are arranged in a roughly circular pattern and are labeled with three phases: Phase 1 ice tiles (top), Phase 2 ice tiles (middle), and Phase 3 ice tiles (bottom). At the bottom of the board is a horizontal row of 20 numbered boxes, numbered 1 to 20, with a small icon of three coins to the left.
